

## **ZIPHANY, LLC EARNS CERTIFIED STATUS IN MICROSOFT'S PARTNER PROGRAM**

Ziphany becomes certified by Microsoft as a partner

**NORTH TONAWANDA, NY (USA), DECEMBER 19, 2006:** Ziphany, LLC, a leading provider of software and data hosting solutions, announces it has been certified by Microsoft Corporation to participate in its Partner Program. Achieving Microsoft Partner Program Certified status, enables Ziphany to deliver software solutions that are recognized worldwide.

Receiving certification as a Microsoft Partner demonstrates Ziphany's overall commitment to strengthening its internal expertise and integrating superior products into the marketplace. Being certified as a Microsoft Partner not only is an added credential, but it's a mark of excellence for Ziphany, giving it access to Microsoft Corp.'s huge library of resources (e.g. sales, marketing, technical training, and a long-term relationship with its client support center).

Nick Polcz, Network Engineer for Ziphany, LLC, stated "As a Microsoft Certified Partner we receive a rich set of benefits that gives us a competitive advantage in this marketplace and the ability to provide the latest software solutions to our clients."

### **About Ziphany:**

Ziphany, LLC, is a leading provider of intelligent software and data hosting solutions in the energy industry. Our tagline, "Instant Access to Critical Information", sums up the philosophy of our company. We exist to give clients instant access, from anywhere in the world, to the critical information of their business: the assets, the processes, the energy or any information critical to business operations. Ziphany's software applications transform data into knowledge. Knowledge is actionable, and helps manage your business successfully.
